

TUMS Directory

TUMS is a directory of Staff and Students for various schools in the ESU10 area. The TUMS site can be found at: <https://tums.k12.ne.us>

Once you login, you should see your account information. Something like this:

On the Search Screen, there are a couple things to keep in mind:

1. Make sure you have the filters set appropriately:

returned: 0 accounts

Last	First	Email Address	Type	Entity	Account AUP	Email Forwarded	PW Days	Actions
<p>Account Type: You have three choices. All, Students, Staff. The other two filters you will want to adjust are Entity and Account Status. With your account, the Entity should be set to your Default district. With Account Status, the choices are Active, All, Locked, and Disabled.</p>								

You may see a list that looks like this:
